Dear Sponsor,

We invite you to form a partnership with Kids Against Hunger-Illinois (KAH-IL) as a sponsor for the Race To Stop Hunger 5k. No matter how large your donation is, it will help feed 34,000+ children through this event. Our amazing sponsors and runners have fed over 376,500 kids by supporting and participating in this race!

We would love to include you as a sponsor this year!

Our 12th Annual Race To Stop Hunger 5k event will be held on Saturday, August 8, 2026 at Mallard Lake Forest Preserve., Bloomingdale, IL. 100% of race proceeds will feed children.

Our Sponsorship Packages include Corporate, Platinum, Gold, Silver, Bronze and an Award level sponsorship. We market all sponsors on social media, posters, websites and newspapers. We include a race day booth, banner and the opportunity to market in our race bags, on our race shirts and on our race course!

Let's talk about partnering together this year. Sponsoring these wonderful events is an opportunity to educate the community about your business and your commitment to helping the hungry children locally and around the world. Our partnership creates a win for you as a sponsor as well as a big win in moving kids away from starvation.

Please see the attached sponsorship packet.

Looking forward to working with you,

Nancy Thiemann
